

Join our vibrant community at Maranatha Village

You'll always get a warm welcome at Maranatha Village in Kallangur, a community built on shared values and strong friendships.

Whether you just need a friendly smile, a lightbulb changed or a hand in the garden, feel secure in the knowledge there's always someone looking out for you and help is never far away when you need it.

Maranatha started as a vision in the minds of a handful of dedicated Queenslanders, who worked to create a village where like-minded individuals could retire with friends.

The not-for-profit Village is situated on five hectares of beautiful tropical gardens, that are carefully designed and maintained by a full-time gardening team to reflect the original vegetation of the area.

Enjoy the shade of the macadamia, mango and avocado trees that grow around the Village, or take a stroll on the wooden boardwalk around the lagoon.

Take advantage of the indoor and outdoor recreation facilities such as snooker, croquet and Men's Shed, meet up with family and friends for a barbecue or at the onsite cafe, or hop on the bus and enjoy a scenic trip to nearby destinations.

Explore your options by contacting our friendly Village Manager today.
